High School Brick Fundraiser

The new Lakewood High School Project will replace existing facilities to meet future educational goals, support new educational programs and accommodate anticipated growth. A new building totaling 162,500 square feet will be built for a capacity of 825 students.

By purchasing a brick, you are helping the students at Lakewood schools with scholarships, care funds, athletics, music, and/or ASB.

Personalize your brick with your name, a message or in memory of a loved one. All bricks will be installed lining the walkway to the new stadium.

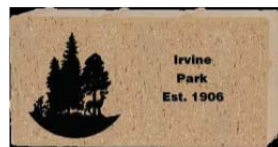

Donate a brick today and help support the students of the Lakewood Schools*
