

NETWORK FOR EXCELLENCE IN WASHINGTON SCHOOLS (NEWS)

The Lakewood School District is a member of the Network for Excellence in Washington Schools. NEWS is a coalition of community organizations, school districts, education associations, teachers and parents who believe the kids of our state deserve a first class K-12 education. Faced with an outdated state funding system that fails to fully fund even the basic elements of a high quality 21st century education, NEWS has filed a lawsuit asking the courts to order the State of Washington to live up to its paramount constitutional duty to make ample provision for the education of all Washington children.
