

Lakewood School District Report Card Information

Several pieces of assessment information, for the Lakewood School District, may be accessed by following the link: [Washington State Report Card](#). The following information may be found in the report card:

Student Achievement Data

- Disaggregated student achievement data
- Participation rates on state assessments
- Student performance information for the Smarter Balanced Assessment for grades 3 through 8 and 11 starting with the 2014-15 school year.
- Assessment details and trends for each school, school district, and entire state.
- Data on student performance on the other academic indicators including graduation rate, compared to students in the state as a whole and at the school level.

Teacher Information

- Teacher information includes such information as number of classroom teachers, average years of experience, and degrees held.
