

Proposed Frameworks: The Learning Models

In-Person Learning (AA/BB Rotating Schedule)

	Monday	Tuesday	Wednesday	Thursday	Friday
Student Group A			What happens on Wednesdays? <ul style="list-style-type: none"> Distance learning for most students Intervention services and support Staff professional development Full-day cleaning and disinfecting 		
Student Group B					

= In-person Learning

= Distance Learning

Elementary students in the AA/BB model will proceed through full-day schools when in-school that include their usual classes, as well as specialist time.

Secondary students will proceed through a block schedule of periods up to 120 minutes over two days. On the first day of in-person learning, they will be in periods 1-3 and on the second day, periods 4-6.

All students on days that they are not in school will be distance learning.

District laptop computers and hotspots will be deployed to families in September to facilitate all distance learning.

Extended Learning (Student Group D)

	Monday	Tuesday	Wednesday	Thursday	Friday
Student Group D			<ul style="list-style-type: none"> • Staff professional development • Staff planning • Full-day cleaning and disinfecting 		

Students in **Group D** have been identified as students whose particular needs qualify them for access to more extensive, daily support. Students in Group D include special education, ELL students, Homeless/Foster children, students receiving Title 1/LAP services (as individually identified). The nature and extent of supplemental services provided through additional time will be based on individual needs.

Enrichment/Intervention (Student Group E)

Student Group E (within Group A)			What happens on Wednesdays? <ul style="list-style-type: none"> • Distance learning for most students • Intervention services and support • Staff professional development • Full-day cleaning and disinfecting 		
Student Group E (within Group B)					

Students in **Group E** are students within Groups A and B who may require intervention or enrichment. Students in Group E include Highly Capable students, seniors behind in credits, students with 504 plans, and students with Incompletes (from the spring). These students may not attend additional days, but will have access to additional support or enrichment as part of their program of instruction.

Special Education

Special education services will be individualized and determined by Individualized Education Planning teams, as is required under the law. Students receiving such services will be provided the most intensive supports available in the least restrictive learning environments. Such placements may include a combination of services within the AA/BB model and within Group D.
