

Lakewood School District

In Partnership for Quality Education

August 1, 2022

The district can waive attendance or participation fees for students who qualify for free or reduced-priced meals through our food service program. However, due to federal guidelines, parent consent is required to be able to share this data with the school office for them to know who is eligible for a fee waiver. If you would like to have attendance or participation fees waived (for example ASB cards or athletics fees), you need to return the parental consent form to my office located at:

PO Box 220, N Lakewood WA 98259

If you return the consent form, your information will be confidentially shared with only the individual responsible for waiving your student's fee and they are not authorized to use the information for any other purpose. If you have any questions, please feel free to contact my office at (360) 654-2033.

Thank you,
